Preliminary Amendment - First Action Not Yet Received

PATENT

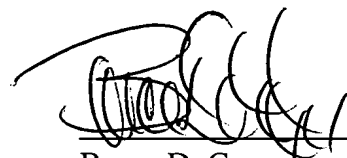

REMARKS

Please enter this preliminary amendment prior to examination of the application. In the preliminary amendment, applicant requests entry of revisions to the specification and drawings as detailed below. Applicant also requests cancellation of claims 23-27; amendment to claims 1-15, 17, 18, 20 and 22; and addition of claims 28-35. Accordingly, upon entry of this preliminary amendment, claims 1-22 and 28-35 are pending in the application. Applicant respectfully submits that pending claims 1-22 and 28-35 are in condition for allowance, and earnestly solicits prompt consideration and early notice of allowance.

Specification and Drawings

The revisions to the specification and drawings submitted herein are to correct minor errors and to rectify inconsistencies existing between the specification and drawings. Applicant's representative declares that the requested specification and drawing revisions add no new matter.
